Dear Margaret,

I have been an enthusiastic and passionate digital marketer for a long time. The attached resume will show you my 5+ years of experience as a digital marketing executive where I learned Search Engine Optimization, Social Media Marketing, PPC etc. I have increased organic search traffic of Ranmore Hotel Chain by 75%, and the social media campaign helped them to boost up their annual revenue by 45%. I believe these achievements make me the perfect candidate for the Digital Marketing Specialist at your company.

You can contact me at 773-908-1234 or dennisharrison@example.com. I'm looking forward to hearing from you. Thank you for your consideration.

Sincerely,
Dennis Harrison.
